→ COMING TO FRANCE FOR YOUR STUDIES?

To be reimbursed for your health care expenses, you will need to register with France's health care system "l'Assurance Maladie." This is free of charge for students.

1 **SIGN UP** on the student-dedicated website once you have registered at your institute of higher education: etudiant-etranger.ameli.fr

2 **UPLOAD** your required supporting documents:

- a certificate of school registration for the current year
- an ID
- a vital record
- an official banking information slip showing your IBAN number

You may be asked for additional documents depending on your country of origin.

Everything you need to know is on ameli.fr, in the section entitled "Foreign student: the French social security registration process"

3 **CREATE** an online personal account on ameli.fr once you have received your French Social Security number and apply for your health insurance card ("carte Vitale").

4 **DECLARE YOUR PRIMARY CARE PHYSICIAN ("MEDECIN TRAITANT")** when you go in for your first appointment.

5 **TO MAXIMIZE YOUR HEALTH CARE REIMBURSEMENTS**, take out the supplementary health care coverage of your choice. .

If you were already a student in France in 2017–2018, your supplementary student coverage ("mutuelle étudiante") will continue through August 31, 2019, even if you change your address.
